Dear Sir/Madam

Kayelekera Contractor Fatality

Paladin Energy Ltd regrettably advises that a fatality has occurred as a result of a motor vehicle incident at the Kayelekera Uranium Mine in Malawi on Monday 24 August. A construction contractor's work vehicle overturned on a site access road. The driver, a Malawi national who was the sole occupant, died at the scene. Police and relevant government officials have been informed and investigations are continuing. The contractor is providing assistance to the bereaved family.

Yours faithfully
Paladin Energy Ltd
